

**REMARKS**

The present amendment is submitted as a supplement to the Applicants' amendment filed August 26, 2004.

In the present amendment, the claims have been amended only to define more clearly the elements recited therein, in particular, an arguably indefinite and awkward wording from the original translation in claim 41. No substantive amendments were made to the claims.

In light of the foregoing, the Applicants respectfully submit that this application stands in condition for allowance. Action to this end is courteously solicited.

Should the Examiner have any further comments or suggestions, the undersigned would very much welcome a telephone call in order to discuss appropriate claim language that will place the application into condition for allowance.

Respectfully submitted,

Michael J. Striker  
Attorney for Applicant
